### **PERSONALITY**

This parcel produces a red Burgundy that can be enjoyed young as well as for ageing due to its noble structure with captivating aromatics.

### **VINIFICATION & ELEVAGE**

Vinified with 30% whole clusters and no pigeage.

### **TASTING NOTE 2015**

Often of a beautiful structure, it is a wine that surprises by its length and its behavior. The mouth is often floral at first ending on more spicy notes with slightly firmer tannins. There is good energy here with fine precision on the bright finish, that marks an excellent Bourgogne. This should drink well early yet repay a few years of cellaring.
